Profile Summary

- **B.E. (Electrical Engineering)** offering **6.5 years** of rich experience in **Production Planning & Control**, **Material Management and Quality Inspection & Compliance** in Pharmaceutical and Textile Machine Manufacturing Industry
- Attained knowledge about **Strategic Planning**, **Supply Chain Development**, **Work Order Planning** and **Material Planning**
- Regulated work in **JVPL Manufactured Pharma and Non Pharma Track and Trace Systems**, **Blister Inspection System**, **BPO Inspection System** and **Pin Hole Detector & Conveyors**
- **Worked with Fabric Machinery like Finishing Machine** (Gas, Heater and Steam Operated), Warming Machine, Drum Warper Machine and Needle Looms
- Experienced & sensitized the challenges of growth & change management at all levels of plant operations; honed skills in anticipating and visualizing scenarios beforehand
- Increased knowledge about inventory control and machining process; expertise in managing inventory functions to curtail inventory-holding expenses and ensuring adherence to the minimum inventory level to minimize wastage
- Possess a clear understanding of the industry, technology trends with the merit of instituting quality control techniques to achieve product excellence at the lowest overall cost
- Procured raw material on a monthly basis required for final goods; ensuring all production information and raw materials arrive at factory as per time & action plan
- Enhanced the efficiency of workforce by focusing on technical & customer-oriented aspects
- Acquired efficiency in working with **ERP-Meeka Software**, **SAP System (Basic)** and **MS Office**

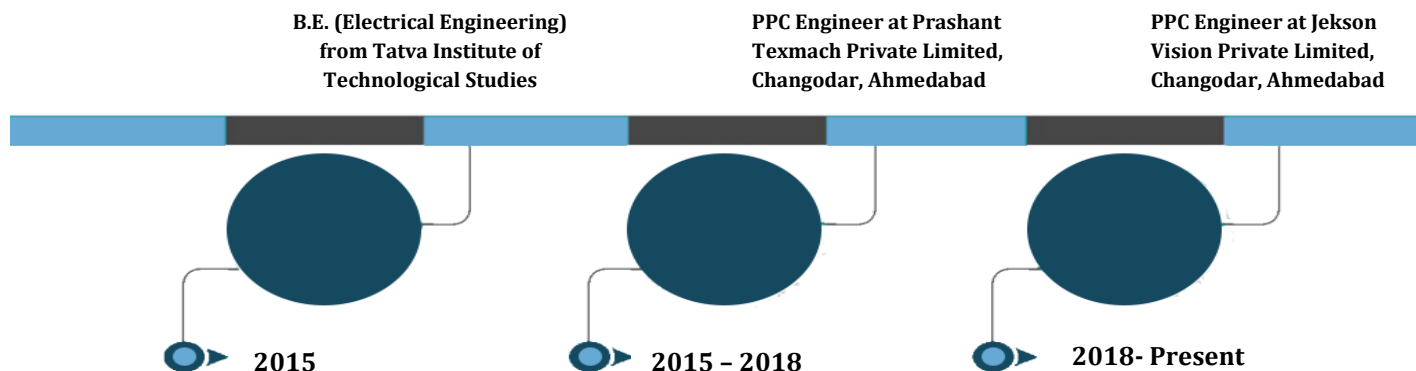

Core Competencies

Production Planning & Control	Budgeting & Cost Control	Operational Analysis
Quality Assurance & Control	Demand & Capacity Planning	Vendor Management
Reporting & Documentation	Process Improvement	Preventive & Predictive Maintenance

Soft Skills

Time Management	Willingness to Learn	Collaborative
Adaptability	Negotiation	Decision making
Analysis & Accuracy	Critical Thinking	Risk Management

Timeline

Organizational Experience

PPC Engineer at Jekson Vision Private Limited, Changodar, Ahmedabad
Aug'18 – Present

PPC Engineer at Prashant Texmach Private Limited, Changodar, Ahmedabad
Sept'15 to July'18

Key Result Areas:

- Comprehending customer requirement in receiving work orders checklist and providing bill of material
- Planning Run MRP and providing shortages for every orders for effective & timely completion of orders
- Generating weekly & monthly production schedules according to customer dispatch schedules
- Developing and implementing New System, Inventory Control, Demand Planning and other optimization strategies in order to grow as a Pharma Industry
- Collaborating with Sales and Operational Planning Process including supply, inventory management and on-time delivery of material as well as finished orders
- Checking documents for timely delivery of documents before dispatch; following up for long lead material with Purchase Department
- Administering entire project/ production operations with a view to ensure timely accomplishment of production targets within the time and cost parameters
- Adhering to SOPs and SLAs manuals & work instructions for production operations for the unit
- Reducing rejection level/rework and maximizing the yield through continuous upgradation of quality circles to maximize the profit and to observe better compliance in line with changing customer requirements

Highlights:

- Reduced lead time by utilizing proper capacity & result-oriented process
- Developed & maintained FIFO System; administered 5S Implementation
- Acted as team member in ISO Certification Process
- Recognized for increasing in-plant capability through effective maintenance; appreciated for same
- Contributed in successful implementation of total manufacturing, thereby resulting in an increase of production and savings

Trainings

- Engineer's Role in Engineering Industry from Electrothem India Pvt. Ltd. in 2015
- ISO Basic & Fundamentals in 2018

Education

- **2015:** B.E. (Electrical Engineering) from Tatva Institute of Technological Studies, GTU Modasa with CGPA 6.97
- **2012:** Diploma in Electrical Engineering from Institute of Technological Studies, Nirma University with CGPA 8.25
- **2008:** 10th from Shree Muktaivan School, GSHSEB, Ahmedabad with 86.62%

Personal Details

- **Date of Birth:** 10th September 1992
- **Languages Known:** English, Gujarati, Hindi
- **Address:** 42/3 Gordhan Park Society, Near Isanpur Bus-Stand Isanpur, Ahmedabad, 382443
