# Konarch Karnavat

Freelance 2D Artist and Entrepreneur  
Ahmedabad, Gujarat, India

## Summary

I have been inclined towards fields where creativity is valued. I have grown up to be a punctual, hardworking, tactical, energetic and a team player. My leadership qualities have taken me into a higher level among my colleagues during my education days. My education in different schools across different countries, has given me a great exposure, which has also reflected in my communication skills.

Specialties: Sketching, Character Design, Story writing, Screenplay writing, Concept building.. etc.

## Experience

Food Factory  
Business Owner  
March 2014 - Present  
Ahmedabad, Gujarat, India

Cooking is my second favourite hobby after sketching. I'm lucky enough to do both.

I am currently an owner of one restaurant and two food trucks. The restaurant serves corporate meals, where as the food trucks serve Indian non vegetarian food and south indian.

Artoon Factory  
Owner  
January 2013 - Present

Artoon Factory, isn't only a studio. We are a bunch of dedicated artists working day and night to deliver our customers what they want.

We aren't restricted to using one or two mediums. We believe in doing what looks best.

We specialize in:

- 2D and 3D animation
- Web Designing
- Screenplay/Scriptwriting
- Graphic Design
- Illustrations
- Architectural Designing
- Game design (mobile)
- Ad film making
