## OBJECTIVES

- To secure an architectural position that is both challenging and rewarding.
- To work as a learner and grow with every passing experience.

## PERSONAL PROFILE

I am highly motivated individual with the desire to take on new challenges. My key attributes are undoubtedly designing with strategies, communication skills, a strong work ethic, adaptability and a high attention of designing detail.

I pride myself on the ability to liaise effectively, with people from all walks of life and to build up professional rapport quickly. I am passionate about architecture, and have high interest in practical issues of construction. I have the drive and desire to extend myself further and I am willing to go above my chosen profession.

## EDUCATION

Currently completed the B.Arch. Programme, **IDEA, INDUS University**,  
Ahmadabad, Gujarat, India

**HSCE** 2012 Shiv Ashish School, Bopal, Ahmedabad- 89%
