

COVERING LETTER

To,
The HR Manager,

Subject: Application for recruitment at your organization

Respected Sir/Madam,

Myself, **Vishal H. Gajjar** having done my **M. Pharma in Pharmaceutics** at Pacific college of Pharmacy, Udaipur, Rajasthan through Pacific University. Throughout my postgraduate degree course, I gained experience in UV, Flame photometry, Dissolution test apparatus, disintegration test apparatus, ph meter, FTIR and fraibilator.

I have been an integral part of the project team, however when a situation has demanded I have also been able to work independently. Moreover, I enjoy challenges and have always performed well under pressure with time constraints to meet deadlines. I have the ability to think out of the box and am able to apply my abilities to real world situations with ease.

I hope that on consideration of my resume, you will be persuaded by my potential to perform well. I can be available for an interview at your convenience and look forward to hearing from you. Thank you for your time and consideration.
