PERSONAL PROFILE

I am eager to contribute to the culinary team in any role. Having completed professional chef training from the Department of Manpower Development and Placement (DMDP), Vocational skills under the management of Technical Education and Skills Development Authority (TESDA), I am now fully equipped with all the skills in the best of my knowledge and abilities. I am from Philippines and currently staying in India together with my husband.

I am accustomed to a fast-paced environment where deadlines are priority and handling multiple jobs simultaneously is a requirement. Constant communication with all levels of employees has strengthened my interpersonal skills. I am motivated and enthusiastic individual who is able to learn and adapt to changing situation. Able to work successfully, within a highly technical environment. I have excellent verbal and written communication.
