High school teacher
Krishna international school
tramba, rajkot

Dear Mr/Ms. [To whomsoever it may concern],

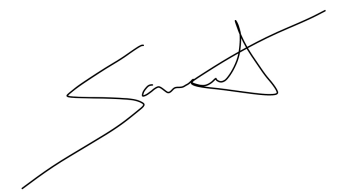

I'm eager to apply for the Teacher's Aide position at respective school. I have a passion for education, and I love helping students reach their full potential. Education is crucial to the success of any student, and my life-long goal is to help students learn and aid teachers in creating the best possible learning environment.

During my current tenure at Krishna international school , I am working as a Teacher's Aide in the commerce department since five years. This role has helped prepare me for future jobs. While I was working in the commerce department, 94% of the students passed their end of school exams, which was an improvement from 83% in the previous years.

Before I worked at Krishna international school , I went to college at Gujarat University and earned an beachelor's Degree and master's degree in the commerce field. My overall GPA was a 3.4, and I finished in the top 10% of my graduating class. I am well-qualified to work as a teacher's aide, and I believe that I can make a positive impact on the students at respective school.

Thank you for reviewing my cover letter and resume. I look forward to learning more information about the Teacher's Aide position. I believe my prior education, employment, and unique skill set will allow me to become a valuable asset at respective school. I hope to advance to the next stage in the hiring process.

Sincerely,
